

Auction

Glenn McConnell Estate

9 am - Saturday - April 11, 2026

582 Quail Road, Chickasha, OK 73018

Glenn passed away last fall and it is time for Charolette to liquidate the equipment, trucks, trailers, tools and lots of items. This sale will feature most of the trucks, pickups, tractors, trailers, and tools. We will have another auction later in spring which will feature collectible vehicles, motorcycles, parts, salvage, and more.

Listing everything that we will be selling is near impossible. Our goal is to get some pictures to post on our website, but plan on attending to get the real picture.

Glenn had a saying when folks asked why he had so much stuff, his reply was "If I have a million things worth a dollar apiece, then I'd be a millionaire". Needless to say, we have a lot of stuff to sell, so come enjoy. Auctions are a fun event.
